CORRECTION OF RECORD

AND

**WITHDRAWAL OF APPLICATION FOR PATENT TERM
EXTENSION IN FAVOR OF COENDING APPLICATION**

Sir:

With reference to the Notice of Final Determination mailed January 3, 2011, Applicant first wishes to clarify the record and correct what appears to be a clerical error in the Notice with regard to the "Expiration Date of Extension." The correct "Expiration Date of Extension" should read "December 8, 2018" rather than 2013, which is five years from the "Original Expiration Date" of December 8, 2013, *had this application been elected for extension.*

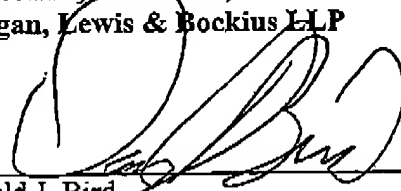

However, with reference to the Notice of Final Determination mailed January 3, 2011 and pursuant to the provisions of 37 CFR 1.785(b), Applicant hereby withdraws the subject Application for Patent Term Extension in favor of the copending Application for Patent Term Extension of U.S. Patent No. 5,250,542, which patent has been elected for extension by separate document filed this day in the latter Application.
